Intro (arpeggio) C Em Am G x2

Estrofa

C Em  
I hope this old train breaks down  
Am G  
Then I could take a walk around  
C Em  
And, see what there is to see  
Am G  
And time is just a melody

All the people in the street  
Walk as fast as their feet can take them  
I just roll through town  
And though my windows got a view  
The frame I'm looking through  
Seems to have no concern for now  
So for now
