

Sleeping By Myself • Pearl Jam

Verso 1

[F]I should have [Dm]known there was someone [Am]else
 [F]Down below I [Dm]always [Am]kept things to myself
 Now I be[Bb]lieve on nothing, [C7]not today
 As I move [Am7b5]myself out of [Dsus4]your [D]sight
 [Bb]I'll be sleeping [C7]by myself [F]tonight

Verso 2

[F]I could never [Dm]go to no one [Am]else
 [F]The hurt don't [Dm]show but who knows [Am]time will tell
 I be[Bb]lieve in nothing [C7]but the pain
 And I [Am7b5]can't see this turning out [Dsus4]right [D]
 [Bb]I'll be sleeping [C7]by myself [F]tonight

Bridge

[F7]Forever be sad and lonely
 For[A]ever never be the [Bb]same
 I close my eyes [G7]wait for the sign
 [C7]Am I just waiting in vain?

Verso 3

Oh I be[F]lieve in [Dm]love and di[Am]saster
 Some[F]times the [Dm]two are just the [Am]same
 I'm be[Bb]ginning to see [C7]What's left of me
 is gone [Am7b5]have to be [Dsus4]free to sur[D]vive
 [Bb]I'll be sleeping [C7]by myself...
 [Bb]I'll be sleeping [C7]by myself...
 [Bb]I'll be sleeping [C7]by myself [F]tonight
